

5 Things You Can Do *Right Now* to Save the Preborn & Protect Missouri

With the June 24, 2022 [Dobbs v. Jackson](#) decision, Missouri became the first state in the nation to restore legal protections that save the preborn and protect women. Missouri Catholics and other pro-life advocates are committed to keeping these safeguards in place by telling the general public the truth about the harm the passage of any pro-abortion ballot initiative petition would do in Missouri.

Here are 5 things you can do *right now* to help:

1. Pray

Be bold and confident in asking our Good Lord's help in stopping these pro-abortion initiative petitions. Pray and invite others to pray to help save babies and protect moms.

- Ask your pastor to start a regular Rosary for Life and Holy Hour!
- Join in the Archdiocesan 90 Prayer Days for Life: bit.ly/90DaysForLife-2024

2. Walk with Moms

Support moms in your parish and community, especially those facing an unexpected pregnancy. You can partner with your local pregnancy resource center to help walk with them. Go to walkingwithmomstl.com

3. Decline to Sign

Now that the ballot language has been certified, pro-abortion supporters can collect signatures. **DO NOT SIGN** any petition to insert abortion into our state constitution on the fall 2024 ballot. Educate others and encourage them to do the same.

4. Promote Voter Registration

Encourage young people and other new voters to register. Help at a registration drive in your community or ask your pastor if you can organize one at your parish (per the Secretary of State's guidelines).

5. Help Those Wounded by Abortion

Encourage those affected by abortion to reach out for compassionate help, hope, and healing at archstl.org/hope-healing
