Rejoice for I make all things new, Rejoice!

Phil 4:4-5

Rejoice in the Lord always. I shall say it again rejoice! Your kindness should be known to all. The Lord is near.

My people, open your hearts and enter into this celebration, 50 years of growth in My Spirit. Draw close to me tonight.

Consider a mosaic, pieces of brokenness formed by the Artist's hand to make something beautiful that casts light of color when light shines through.

Through My Holy Spirit I will unite the Church into one body.

My people, I have called you here by name. You've grown in my Spirit over these past 50 years. Now I am calling you to be my disciples of unity, uniting my scattered Church, healing the wounds of division. I have prepared you for this mission, go forth being led by My Holy Spirit.

My beloved your faithfulness will continue to produce much fruits. Persevere!

My Body, Church has been fragmented. I've placed you in the mosaic where I can use you, your uniqueness, in the bigger picture of the unity I pray for. Allow Me to shine through you. Stay close to me.

You are all my flowers in My garden with your own color and your own fragrances. My light unites you as one. I will unite the Church into one body.
