

# 2019-06-08 Word Gifts - Pentecost Vigil - St. Elizabeth of Hungary

Receive - I saw the Spirit as a flood overwhelming the Earth and heard God say "Receive." Do not be afraid of the floods; Drink from the abundance! Keep your hands open to receive the Spirit; it is not only for you but it will spill through you and around you and will nourish your families, friends, co-workers, and all around you. Allow the Spirit to flow through you and use you to show the glory and love of God to all the earth.

"Then you shall know that I am the Lord, and those who hope in me shall never be disappointed." - Is 49:23

Vision of Holy Fire - I saw a vision of Holy Fire, increasing and increasing until it burst to spread across the world, purifying and sanctifying all in its path.

Do not be confused - My little ones, do not be confused by the disharmony of this world. It is the enemy! Be still, be quiet, and listen for My word of comfort and direction.

"For those who are led by the Spirit of God are children of God. For you did not receive a spirit of slavery to fall back into fear, but you received a spirit of adoption, through which we cry, 'Abba, Father!' The Spirit itself bears witness with our spirit that we are children of God, and if children, then heirs, heirs of God and joint heirs with Christ, if only we suffer with him so that we may also be glorified with him. We know that all things work for good for those who love God, who are called according to his purpose." - Rm 8:14-17,28

New Creation - My people, I know you go through periods of darkness and turmoil. Take heart! I have heard your cries, I am working in your life forging your heart in fire bringing about a new creation, a new life in Me.
