Focus totally on me

You must decrease, so I can increase. Give Me your full attention. Take focus off of self and focus totally on Me, on what I am doing here and now.

Let go

My people, give me all your worries, I'll replace them with my peace. Let go of your expectations and be open to my Spirit. Let My Spirit surprise you this weekend!

Listen to me in the silence

This Wind washed over the people beating the drums and there was silence. A deep profound silence and I heard God say "Yes, my people that is what I desire from you. Listen, listen to me in the silence."

Be still my children

Be still my children. Know that I am in your midst. I long to speak to your hearts. I long to plant in your hearts my desires and my love for you. Just as it is easier to enter a car not in motion, so too is it easier to enter your hearts when they are still before me. Be still my children, be still.

Psalm 86:11-12 - Teach me Your way

Teach me O'Lord Your way that I may walk in your truth. Direct my heart that it may fear your name. I will give thanks to You, O'Lord my God with all my heart. I will glorify Your name forever.

Surrender your hearts

My beloved children, do not dwell in the past. Do not fear the future. I am with you always and here in the present moment. Surrender your hearts to me and I will make your joy complete.

Do not forget my words.

Be well aware my friends when I speak, I speak with my Father's authority. Do not dwell on My word and then quickly forget, rather dwell, remember, and plant them in your hearts.

Mt 12:14 - Words flow out of what fills the heart

For words flow out of what fills the heart, since it is by your words you will be justified and by your words you will be condemned.

Is 35:4-6 - waters will burst forth, new streams

Strengthen hands that are feeble, make firm knees that are weak, say to the fearful of heart: Be strong, do not fear! Here is your God, He comes with vindication; With divine recompense He comes to save you. Then the eyes of the blind shall see, and the ears of the deaf be opened; Then the lame shall leap like a stag, and the mute tongue sing for joy. For waters will burst forth in the wilderness, and streams in the Arabah.

My love will change hearts

There are no two snowflakes alike, what a wonder. You are all like snowflakes a marvelous wonder, unique and beautiful. You were created in love to love and for love. You are all equal in my body, in My love. Let My love overflow in your hearts for others and as snowflakes fall quietly so will My love in the silence change the hearts of many.

My Spirit like a river, fills every part of you

My Spirit is like a river. Thy river flows into every opening. I flow into every opening in your life. I fill the empty spaces. I fill every part of you, bathing you with the fullness of my presence. Drink my children! Drink! Drink in the richness of My presence. I open the heavens to you, it is here. You have only to ask and receive my presence. This is My desire, to unite you in my presence, unit yourself to Me. I am peace, I am unity, I am love.

The world needs My light

The bread I give you is the fuel for your faith and service. Be well fed my people, for today, tomorrow, forever. My fuel is to keep my love burning in your hearts. You draw others to Me by the light they see in your heart. Burn brightly my people, the world needs My light to find their way.

Confirmations / Extras

Share my unending love with one another, that is where I dwell

(The image of Jesus with Most Sacred Heart) My children, My love is as vast and deep as the oceans, but even that (the oceans) is limited. My love extends to the skies and beyond. My Kingdom, the dwelling of all the heavenly host is more vast. My dwelling is in the look, the touch of love, the way that you extend My love, My kingdom to each other. Love, My children, love, that is where I reside.

You are mine forever

My children, you were all given to me by My Father, My God, your Father, your God. Rejoice you are Mine forever!

Be open and eager to receive

(Image of baby birds, mouths open to receive food from the mother bird) Don't work now, just be open and eager to receive what I'm providing lovingly. You will receive what you need, you will be filled.
