

Good morning, Business Managers/Employer Benefits Contacts!

Please remove this introduction message and **forward** the below email and attachment to your benefit eligible employees at your earliest convenience. This email is regarding the new Dental ID cards coming their way in late December 2023. As always, I appreciate your assistance in distributing this communication.

Thank you!

Dear Employee,

A new year is around the corner, and with a new year comes new Dental ID cards!! If you are enrolled in the Archdiocese health insurance plan, please be aware that you will be receiving a new Dental ID card in the mail around late December – be sure to keep an eye out for it 😊. To enhance protection of your personal information, Delta Dental has assigned all members with a new Member ID Number that you can provide at the provider's office in lieu of your Social Security Number to verify dental benefits. That new Member ID Number is indicated on the new Dental ID cards you will be receiving in the mail. The attached flyer includes additional information for your reference.

Please note, these new Dental ID cards are only to be used effective 1/1/2024 and ongoing, so you will need to keep and use your current Dental ID card(s) for any dental services you have prior to 1/1/2024.

Thank you!
