

## Dominican Sisters of Our Lady of the Rosary (Sparkill, N.Y.)

At present, there are 40 Sparkill, Dominican Sisters and 16 associates ministering to God's people in St. Louis. We minister to the marginalized in many differing areas: The Family Center in East St. Louis and Queen of Peace Center and Nia Kuumba Spirituality Center in St. Louis. We serve in Prison Ministry and in Health Ministries. Our sisters are involved in Spiritual Direction, Prayer and Healing Ministries, and Community Service. In the field of Education, we have sisters who are Principals, Registrar, and Teachers as well as Educators working with Immigrant and Refugee Women's Program. We are involved in Pastoral Care and Parish Ministers. We gather often for dialogue on current issues, for common prayer and for celebrations. We are joyful women of prayer and compassion who proclaim the reign of God through ministry for justice and reverence for all creation.
