

DeltaVision®

How to Search for a Vision Care Provider

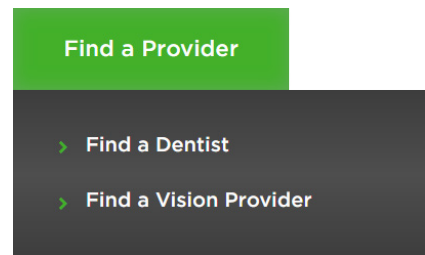

Finding a vision care provider is easy using our online directory at [DeltaDentalMO.com/Vision](https://www.DeltaDentalMO.com/Vision)

DeltaVision gives you the option to choose from a wide variety of national retail locations or independent providers with the Superior Vision™ National network. With 50 major retail optical chains, plus independent providers and online contacts, employees can easily find a provider that is right for them.

Find a Provider

At [DeltaDentalMO.com/Vision](https://www.DeltaDentalMO.com/Vision), point to [Find a Provider](#) in menu bar at the top of the page and click on [Find a Vision Provider](#).

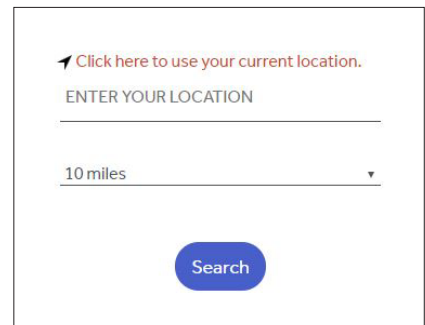

Enter the following information:

Location

Use this section to enter your address or zipcode.

Search Radius

You are given the option to search 1, 2, 5, 10, 20 or 40 miles from your location.

Click Search

Your results will be listed on this page. Within the results is the address, services offered and the doctors participating at this location. Providers who participate in the discount program will show "Discount Features" listed under "Services Offered".
