Our Mission

To collect, care for and repurpose religious and liturgical items no longer in use, giving these items new life in the Church, specifically in parishes, chapels, agencies, schools, retreat centers and with the clergy.

- Donate religious and liturgical items you are no longer using to give them new life in the Church
- Visit us to select items from our expansive inventory for use at your parish or institution
- Browse our collection of over 3,500 items on-line at archstl.org/sacred-worship
- Donate damaged or worn-out liturgical items for proper "pious disposal"
