#iGIVECATHOLIC

To celebrate and support the charitable, educational, and spiritual ministries of the Archdiocese of St. Louis we are rallying the Catholic community by participating in the eighth-annual **#iGiveCatholic** Giving Day. We will celebrate this day of Catholic giving on Tuesday, November 29, 2022, also known as #GivingTuesday, a global day devoted to generosity and kindness.

Why are giving days important for our parishes, schools, and ministries of the archdiocese? Research shows that:

- Giving days are attractive to a broad range of parishioners, alumni, and supporters—from individuals in their 20s through their 70s *and beyond*.
- Giving days are a great way to attract new and younger supporters, as well as further engage current donors, ensuring long-term sustainability. In a 2021 donor survey, 15% were new donors to the organization they supported!
- Compared to traditional campaigns, staff/volunteer time required to launch a giving day is 50% to 75% less.

We believe in the generosity of Catholics in our archdiocese and the events in the last two years have indeed shown us the importance of engaging online all of our supporters. Working with the 40 other **#iGiveCatholic** partner arch/dioceses and foundations across the country our goal is to unite the Catholic community in support of our parishes, schools, and ministries.

Enclosed in this packet is more information about **#iGiveCatholic**, the U.S. Church's Giving Day. We are excited to begin this journey, and we sincerely hope you'll join us by enrolling your organization to participate!

About the #iGiveCatholic Giving Day

Celebrated annually on the Tuesday following Thanksgiving, Black Friday, and Cyber Monday, **#iGiveCatholic** is a Giving Day that kicks off the charitable season and brings the Catholic community together to give thanks and give back. As the U.S. Catholic Church's Giving Day was created to celebrate our unique Catholic heritage, **#iGiveCatholic** inspires faithful stewards to "Give Catholic" on #GivingTuesday, a global day of generosity.

The goal of **#iGiveCatholic** is to rally our Catholic community in support of our parishes, schools, and ministries. Secure, tax-deductible donations to eligible Catholic organizations located in participating arch/dioceses are given at iGiveCatholic.org during a 24-hour period on #GivingTuesday, November 29, and during the Advanced Giving Day phase beginning at 12:00 AM on Monday, November 14 through 11:59 PM on Monday, November 28. Offline gifts of cash and checks are encouraged and given directly to the organization of the donor's choice during this same period.

In 2021, the seventh year of the campaign raised \$16.5 million! At a rate of 29 gifts per minute, 44,149 donors in all 50 states gave \$16,536,705 to benefit 1,624 Catholic parishes, schools, and nonprofit ministries through #iGiveCatholic. Donations also came from people in 16 other countries in support of these U.S. Catholic organizations.

On #GivingTuesday, let's unite our community to share our gifts lovingly in justice with others and return them with an increase to the Lord!

Parish/School/Ministry FAQs

What is #iGiveCatholic?

#iGiveCatholic is a Giving Day that provides Catholic parishes, schools, and ministries in participating arch/dioceses across the country the opportunity to connect with current donors and establish relationships with new supporters.

It is also an opportunity for Catholics to affirm our faith as disciples of Jesus Christ by sharing our gifts out of gratitude and love for one another. The goal of #iGiveCatholic is to inspire the Catholic community to come together as faithful stewards and to "Give Catholic" on #GivingTuesday, a global day dedicated to generosity and kindness.

When is #iGiveCatholic?

#iGiveCatholic takes place on #GivingTuesday, November 29, from 12:00 AM to 11:59 PM. There is also an *Advanced Giving Day* phase (acts like a silent phase of a capital campaign) for online and offline "pre-Giving Day" gifts running from 12:00 AM on Monday, November 14 through 11:59 PM on Monday, November 28.

Why host a day of Catholic giving on #GivingTuesday?

We have a day for giving thanks. We have two for purchasing gifts for loved ones—Black Friday and Cyber Monday. And for the tenth year, we have #GivingTuesday, a global day dedicated to generosity. On Tuesday, November 29, individuals and organizations around the world will come together for one common purpose: To celebrate kindness, live generously, and to give back.

How does #iGiveCatholic work?

#iGiveCatholic works with the Giving Day platform from GiveGab with searchable profiles of participating parishes, schools, and ministries affiliated with the 41 participating arch/dioceses/foundations nationwide or through the National Ministries Section of the site. All online donations will be processed through iGiveCatholic.org. Anyone can donate to his or her favorite ministry during the Giving Day or Advanced Giving Day phase either online through the platform, or offline by gift of cash or check given directly to the chosen ministry(ies). Participating organizations can track event progress in their Giving Day dashboard throughout the campaign and donors can track an organization's progress via leaderboards scrolling with each donation on #GivingTuesday, November 29.

Who is GiveGab/Bonterra?

GiveGab is the Giving Day platform provider for the #iGiveCatholic Giving Day. They also provide the technical support and assistance for you and your donors before, during and after the Giving Day. Their name will be changing to Bonterra in the fall of 2022.

What organizations are eligible to participate in #iGiveCatholic?

All 501(c)3 parishes, schools, and Catholic-serving ministries affiliated with a participating arch/diocese or foundation are eligible to participate in the #iGiveCatholic Giving Day. Please contact the person listed at the bottom of this page for more information.

What does it cost a parish/school/ministry to participate in #iGiveCatholic?

The set-up cost for your organization has been paid by Archbishop Rozanski through the *Annual Catholic Appeal*, and is a gift to you and the community. There are costs to doing business online as is common with expenses for in-person events. All online gifts are subject to a 5.8% + \$.30 transaction fee to cover credit card processing, technical support and marketing materials. Over 72% of donors opted to pay these fees in 2021, meaning for every \$100 an organization was donated, they received \$98.50. Offline gifts incur no transaction fee and should be entered into the dashboard so donors can see their gift impacting your total.

How do I register my organization to participate?

Online application for participation opens on **August 15**. Eligible organizations in participating arch/dioceses must enroll by following instructions in an email sent to your organization from our office on **August 15**. *Be sure to follow all directions, and click the "Apply Now" button on the home page of that site!*

Once you answer the registration questions and click to apply for participation, you can enter your "Admin Dashboard" on GiveGab to begin customizing your #iGiveCatholic profile. Your application will be reviewed within a few working days.

Online registration will close **November 2**. *If your organization does not wish to participate in the giving day this year, please email igivecatholic@archstl.org and let the #iGiveCatholic team at the Archdiocese of St. Louis know.*

"How-to" articles on registering and completing your profile are located on the Resources page and throughout GiveGab/Bonterra's support center. We also recommend asking questions through the blue chat bubble in the bottom right-hand corner of the iGiveCatholic.org website (be sure to include your email address), or email your question to questions@igivecatholic.org.

How will organizations train?

Two live training webinars will be provided, both at 2:00 pm Central... one on **August 23**, and one on **November 9**. You must register for these webinars on the [Trainings page](#) of the 2022 #iGiveCatholic site. Additionally, a series of recorded webinars will be maintained on the [iGiveCatholic.org](#) Trainings page. We strongly advise that you and your volunteers participate in or view these webinars as they will guide you to a successful giving day.

When will my organization receive our donations?

If you enter a viable bank account number in your online registration profile, your organization's donations will be disbursed via ACH within **5** business days of the donation date. If your organization is fiscally sponsored by the archdiocese, your donations will be received by the Archdiocesan Finance Office and transferred to your agency. If you're unsure into which category you fall, please email us at igivecatholic@archstl.org.

Does my organization need to send tax letters to donors for their gift?

Online donors immediately receive a tax receipt via email from **#iGiveCatholic** confirming their gift. Offline donors will need to receive their receipt from your organization. Note that all donations must be 100% tax deductible (no additional benefits.) However, this tax receipt is not a "thank you," and your donors want to hear from you! By registering to participate in **#iGiveCatholic**, organizations agree to thank donors within seven working days. Participants may contact donors through any medium they like, including thank you letters, phone calls, or social media "shout outs."

Will my organization receive donor information for acknowledgements?

Yes. You will have access to all donor information (unless they have elected to remain anonymous) **during the giving day period and indefinitely after the day** via a donations table that can be found under the Donations tab in your Giving Day dashboard, and then downloaded to a CSV file. To log in to your dashboard, go to [iGiveCatholic.org](#) and click "**Menu**" in the top right hand corner of the page. A drop down will appear—click "**Log In**" to enter your email and password.
