Joining Us!

Hello from the #iGiveCatholic Giving Day Team! We wish you and yours a very blessed Thanksgiving!

The fun is just getting started! Not only are we in our final week of Advanced Giving, but next week is [#iGiveCatholic](#) on [#GivingTuesday](#)!

This is the final weekly e-blast you will receive with general information and tips on spreading the word about the Giving Day. You can find all of the 2021 weekly e-blasts on the [Resources](#) page of our website under "#3 Next Steps" in case you want to find a tip or example quickly.

Please forward this email to all of your team members!

Common Questions

Have questions? Our [FAQs](#) page is a great place to start! Additionally, here are some general questions and answers regarding...

Your Admin Dashboard/Profile Pages:

- **Do I have to refresh my browser to see changes I made on my profile page?** No, you do not! Depending on what browser you are using, changes made to your Profile Page in your dashboard should appear within a few moments of clicking "SAVE". If for some reason it does not, "chat into the bubble" so the GiveGab Customer Success team can do a "hard refresh" for you!
- **Can I update my goal during the Giving Day?** Yes! If you exceed your goal, why not thank donors who have already contributed and then post a "stretch" goal or a second project to which donors could also contribute? **You can update the goal you already set by following these directions.**
- **A donor gave me cash or a check. Where do I enter these funds?** You can record this type of gift in your dashboard as an "offline donation," meaning a donation that was not made online via credit card or bank withdrawal. [Here's a step-by-step guide.](#)
 - *NOTE: Your organization will be responsible for sending tax letters for any offline gifts.*
- **I added/made changes to my organization's "Thank You" message. Will that appear?** No, the same thank you message will appear on all #iGiveCatholic donation receipts. However, organizations are encouraged to send personal thank you

Matching Gifts

Are your supporters just as excited as you are about the #iGiveCatholic Giving Day? Perhaps they want to make a significant donation?! Why not consider using it as a matching gift?

- **What is a matching gift?** A matching gift is a pledged donation that's utilized to motivate donor participation and engagement. On average, organizations with matching funds raise 4.5x more than those without a match. Matching gifts bring excitement to the Giving Day and encourage donors to give because their gift is multiplied.
 - Check out the Facebook post above for a generous match of donations to the **Catholic Charities of Acadiana**, Louisiana. Thanks to two generous \$25,000 matching challenge donations.
- **How does a matching gift work?** With a "1:1 Match," each time a donor makes an online gift, a corresponding offline gift of the same amount will be contributed to your totals. A "Matching Challenge," however, is a gift amount that is unlocked

messages within a week of the Giving Day. How will you thank your donors? Get creative!

Your Donors:

- **How do my donors make a donation?** Making a gift is easy! You can direct donors to the exact URL of your igivecatholic.org Profile Page. [If they need some extra help finding your organization, here is a step-by-step guide.](#) On the actual Giving Day, they won't be able to miss the "Search" field on the #iGiveCatholic homepage!
- **My donor misplaced his/her receipt. Can I resend a copy?** Yes! If the donor's email address has been entered into the dashboard, you can resend receipts from your admin dashboard. [Click here for directions.](#)
- **I would like to begin thanking our Advanced Giving donors now. How do I download my donor list?** It's so important to thank donors for their generous gifts, and a best practice is to thank them within **SEVEN** days. [Here are step-by-step directions for downloading your donor report.](#)
 - *Note to returning organizations:* Before exporting, click the "+ More Filters" button, drop-down "All Giving Days," and choose the "#iGiveCatholic" filter to download this year's donor data. Want to compare it to last year's donor list? You can also filter by "2020 #iGiveCatholic" to download those supporters! [See the "Optional: Filter Your Report" section in the directions link.](#)

once a certain threshold (dollar or donor amount) is reached.

- *Note: Offline gifts are not automatically applied to the 1:1 Match or a Matching Challenge, but you can manually apply offline gifts to a 1:1 Match. [Follow these directions to do so.](#)*
- **How do I set up a matching gift?** You can add a matching gift through your admin dashboard. [Click here for directions!](#)
- **How do I edit a matching opportunity?** If you need to update the details of your matching gift, [follow these steps.](#)
- **I didn't meet my match. What do I do?** Even if you don't meet your match, your generous donor might want your organization to keep the funds anyway. Double-check with your donor first, and then deplete the match to add the remaining funds as an "offline" gift. [Here is a step-by-step guide.](#)

Inspiring Each Other!

Last week, we talked about treating your donors as your heroes. Have you thought about hosting an Advanced Giving event? Have you planned social media shout-outs?

Check out how the different ways these organizations are announcing their #iGiveCatholic project and that the Advanced Giving period is open!

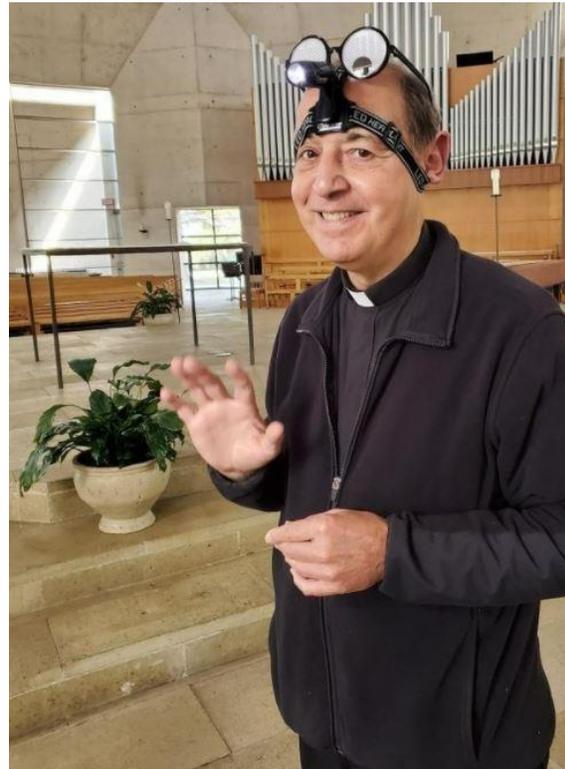

- [St. Jude Regional Catholic School from the Archdiocese of Washington](#) announced their participation with #iGiveCatholic and set a goal of raising \$10,000 during the *Advanced Giving phase*. We love their ambition! See their Facebook post below.
- [St. Jean Vianney School](#) from the Diocese of Baton Rouge sent out this great Instagram post and video of their priest getting ready to do some filming for their #iGiveCatholic video.

- **One of my donors requested a refund. What do I do? [Contact us immediately!](#)** During Advanced Giving or on the Giving Day, if an error was made at the time of donation (*i.e., a donor accidentally gave twice, input the wrong amount, etc.*), the donor or administrator for the organization can request a refund by emailing GiveGab's Customer Success team at questions@igivecatholic.org or by using the blue chat bubble. The donor and the organization's administrators will be notified once the refund has been initiated. Once #iGiveCatholic funds have been transferred to the organization or diocese/foundation, that organization, diocese or foundation will need to follow their standard refund procedures.
