

**From PMBS:  
"Renew Active" replaces  
"Silver Sneakers"**

**REGISTRATION  
INFORMATION**

1/14/2021

As previously shared with you, members covered by **UHC Medicare Advantage** are eligible for the Renew Active Program, replacing Silver Sneakers.

The Renew Active program requires registration. You will also need to present a confirmation code to the gym in order to continue gym membership. Please register as follows:

- **Register for Renew Active here:**
- **After registering, you will receive a confirmation code to present to your gym.**
  - An insured member of an eligible UnitedHealthcare Medicare plan or one of its affiliate companies must present a confirmation code to a participating gym or fitness location for standard membership access at no additional cost.

Confirmation codes are unique to each insured member and cannot be shared. Confirmation codes may be used at multiple gyms and fitness locations and to access an online brain health program, local events and classes and the Fitbit® Community for Renew Active.

If you need any assistance with enrolling into the Renew Active Program, please call UHC customer service at 1-800-457-8506.

Thank you
