

Life

Oh Lord, thank you for the life you have given us.
Thank you for the gift of creation, especially the gift of human life.
Thank you for making us in your image.
Thank you for your love and protection as we fight the life you have given us.
We praise you for being the creator of all things.
Please help all of those who have suffered from abortion.
Please help them recover.
Please help those who are considering abortion to make the right decision.
Let those who think abortion is right, listen to those who fight for life.
Please protect human life from conception to natural death.
Give us the courage to stand up for what is right and to forgive when we need to.
Bring peace to those who fight for life and those who are affected by abortion.
Forgive the mothers and fathers who have aborted their children.
Give them a second chance.
Open our eyes to the pain abortion causes and lead us to reconciliation.
Mary Mother of God, help all of the mothers keep their children and respect their life.
Show us how to love our children like you loved Jesus.
Give mothers strength in difficult situations.
Send the Holy Spirit to mothers expecting new babies and send your love and mercy to
those who have lost their babies to abortion.
Help those in the right mindset understand how bad abortion is.
Give the doctors courage and strength to defend life.
Guide our government in ways that honor and respect life.
